

Thank you Beloved Auntie Pearly,  
for being the best mom I could have asked for.

Thank you for being a pillar of strength.  
A tower of courage.  
For teaching me that nothing can break us  
And take us from the love within.

Thank you for standing up  
When life hit you down.  
Thank you for not allowing the hardships of life  
To close your heart,  
To dictate who you became.

Thank you for shining, for smiling.  
For hugging, for embracing.  
For dancing the dance of life  
To become the most amazing Saftie for Gal,  
And Mom for Belinda, friend for those around you.  
Thank you Pearly, for being YOU.

I shall miss our precious moments together  
Where I shared my joy and my tears.  
Our one minute hugs  
Your smiling face and warm embrace

Our yearly excursion to find the perfect birthday gift for Billy.  
Our drives to nature, our lunches together,  
our visits to the vet,  
And just knowing that you are always there,  
my safe haven, my anchor,  
a place to come home to when I gypsy around.

You Pearly are unconditional love and  
I have had the honor to receive this love  
Which strengthened me  
And held me  
When I felt I might break.

I see a vision of a your brothers,  
Eddie, playing the piano.  
Ray with arms outstretched.  
The whole family gathered

to celebrate your homecoming on the other side,  
As you proudly tap dance your way home  
to join your beloved Neil, Raymond and Gil.

We too are gathered to honor a woman of strength and courage.  
A woman who has left a legacy for Belinda, for Gal and for all who knew  
and loved you  
A legacy to have the strength, and the courage to deal with life's  
challenges and keep on loving no matter what!
