

Mum

My Mum was beautiful
and loved beautiful things.

Always busy doing nice things for other people
and for us, your family
putting everyone before
yourself.

It's amazing how many lives you touched. Even when I came to visit
you in Beth Yonatan you would offer to share your meal with me.

You were so creative. Nearly everything I know, you taught me.

You were a loving caring Mother and Wife. I am eternally
grateful to you for the way you cared and nursed our Father.

I will miss you, I already do.

Rest in peace
