

**A few words from Chris, as she was not able to join us at this celebration.**

"I love you Shosh, may you rest in peace with Gershie. As a life-long Art Educator, I have always appreciated and admired Shosh's talent in Embroidery and Stitchery. Our home is filled with her lovely works of art, including Shmulik's favorite, "A Time for Tea". We will always treasure all these pieces of art. I have many fond memories of our travel visits to her in Israel, where she always insisted that it was "Time for a Cupper Tea". I feel blessed that Shmulik and I got to see and speak to Shosh on phone video the afternoon before she passed, where it felt like now that she heard Shmulik's voice, it was time to go!!"
